**NUTMEG STATEWIDE PTA**
***Statewide Unit of CT PTA***

Nutmeg Statewide PTA seeks members who are interested in the welfare of Connecticut's children and youth. The primary vehicle for support of this goal is a scholarship endowment fund. The interest from the fund is awarded annually as a scholarship at the CT PTA Convention to a graduating senior from a Connecticut PTA/PTSA high school who is planning a career in service to children. Your membership fee includes a $15.75 donation to the NSPTA Scholarship Endowment Fund.

The Fund also depends on gifts, memorials and tributes as a source of income. Memorials and tributes are announced in the ***CT PTA BULLETIN***. All contributions are tax deductible to the extent allowed by law.
